ABOUT US

“Flattening” The World Of Trading With Crypto Based

Crypto Based has built a flexible and modern trading and risk free platform employing the latest software design and infrastructure technologies. The platform provides a comprehensive solution that will evolve with our clients.

We provide a fully integrated, scalable, and future proofed platform to support our clients entire workflow including: Portfolio management, trade execution, settlement, compliance, reconciliation, finance, risk, administration, and client reporting - all managed from a single source in a modern cloud infrastructure.

Our platform will allow our clients to take an enterprise-wide and holistic approach to using and reviewing their data, ensuring that they are prepared to meet the technological challenges of increasing regulatory, compliance and investor demands.

WHY CHOOSE US

Lifetime Support

Sustaining Support puts you in control of your upgrade strategy.

High Security

Prevent a security breach by keeping data out of reach.

Opportunity

Grab a golden opportunity to make some profit with GROW.

GOAL

We are a team to Grow with together

WE FOUNDED GROWORLD WITH

security-first mentality and ethos of asking for permission, not forgiveness. We have worked hard to provide you with a high-integrity choice and we look forward to earning and maintaining your trust.

Crypto Based is a trust company regulated by the Department of Financial Services. We are subject to capital reserve requirements, cybersecurity requirements, and banking compliance standards set forth by the Banking Law. GROWORLD is also a fiduciary and Qualified Custodian.

OUR VISION

We strive to offer our customers the lowest possible investment and high profit, with the best available selection. Let's make your dreams come true with our fast, secure and reliable worldwide growing program.

OUR MISSION

We have a clear structure to help us achieve our goals & reflect these objectives throughout the organization while guiding our strategic approach. Enabling clients to become high performance businesses and creating long-term relationships. The company has been continuing their legacy to make it on top and fortunately, it going well every day.

HOW AND WHY

We are committed to sustainable business practices and growing our company in an environmentally responsible manner. We provide innovative and efficient lift-up solutions. We will provide total customer satisfaction and achieve leadership in selected markets, products, and services around the world through excellence in technology based on world class research and development. We want to shape the future with technologies for people, create value for people and be a global company. We will be the best because we are committed to knowing our members and their needs. We will provide leadership and deliver services that consistently meet or exceed their expectations. We'll be the best because we will attract and retain employees who have an ambition to serve and empower them to work effectively as individuals and in teams.
